

LEEF

BOOK DRIVE

WHY HOST A BOOK DRIVE?

LEEF houses new and gently-used K-12 books in a portable as a resource for our Leander ISD students, staff, and community. We give out tens of thousands of these books annually to fill classroom libraries and give away at campus events to students. With help from our community, we are able to keep our portable stocked and ready for donations to go out as needed!

What's Next?

- Email info@leef.tx.org to get more information and to get started.
- Designate a timeframe for your book drive.
- Have a crate or similar to intake books.

(please let LEEF know if we can provide any additional material to accompany the book drive space)

- Work with a LEEF staff member to coordinate a time for us to either collect the book donations or drop off the book donations at our portable located behind Cedar Park Middle School.

LEEF Tax ID: 20-5464545
