We know our community loves to support our students and teachers with a little competition to win cash prizes for your campus. Join now through October 31st for a custom [#LEEFMonthlyGiving](#) t-shirt and enter your campus to win a

cash prize! Students have until Oct. 15th to submit t-shirt design for the shirt.

Currently our Leander ISD teachers give to LEEF each month out of their paycheck anywhere from \$5-\$50/month totaling \$37,000 annually and our community gives over \$17,000. Help us match at least what our teachers give and sign up for as little as \$5/month.

All funds raised as part of monthly giving will go directly towards supporting LEEF teaching grants. When we invest in our students, we invest in their future! Visit our website for additional details and to sign up today: <https://bit.ly/LEEFMonthlyGiving>

Annual Partner Highlight | H-E-B

H-E-B Leander is committed to supporting the Leander ISD community and embracing its mission to advance education through community partnerships as a LEEF Annual Partner. Our Partner highlight this month is H-E-B's "sponsored" LEEF grant for the Leander ISD Transportation department. LEEF could not imagine a more perfect community partner to align with this grant than HEB. The funding for "It's more than a yellow bus" grant will be used to improve the training process for new Leander ISD bus drivers - "creating a safe and supportive environment to

nurture their personal growth". Thank you H-E-B Leander for putting our community and education first!
